

Getting ready to go !

Essential Kit

- Sleeping bag/blankets & sheets, (it can get cold at night), pillow/case, warm nightwear, plenty of underwear/socks, 2 towels, swimming costume/bathers, Waterproof coat.
- Washbag (soap, facecloth, toothbrush, paste, etc)
- Torch, Bible
- Money – bring some money to spend in the tuck shop, beach shop and trips.
- Valuables - please don't bring them (devices, jewellery, etc), No electronic devices – see later . Camp cannot bear responsibility for loss unless given to workers to look after in Camp safe.
- Oh Yes – some clothes but not your best!

NEW – Mobile Phone Policy : No Phones please

Whilst previously it was always recommended not to bring mobile phones as the signal was poor and the risk of damage or loss, we are now re-enforcing this policy, due to potential safe-guarding and for well-being matters. Therefore, we are adopting similar policies to the school where they cannot be used. Please respect this for the well-being of your child and others. We do appreciate that for additional needs or specific concerns, a mobile may be necessary so we will collect them and keep them securely during the day and if a child requests them, there will be a short period in the evening under supervision where they will be able to call/message home. Note: you can always message the camp using the mobile number below. Many thanks for your co-operation on this.

Medication / Allergies

If you take regular medication, don't forget to bring it. Clearly mark what, when and put in a bag or box. When you arrive, hand it in.

Camp leader will make sure it is given as required and maintain a record.

This applies also to any allergies and any required interventions.

Arrival and Departure

No campers to arrive on site before 3pm on the Sunday afternoon but preferably everyone to arrive before 4pm for a prompt start.

On the final Saturday, pick up between 9-10am please.

Any special arrangements can be made by messaging the camp mobile **07857382497**

Visitors Night
